- **Create an Account:**

- Click on “Login” and sign in with your details. If you do not have an existing account, click on “Register”.

The image shows a login form with an orange background. At the top, the word "Login" is displayed in white. Below it are two input fields: "Username" and "Password", each with a white underline. Under the "Password" field, there is a radio button labeled "Remember Me" and a link "Forgot / Reset Password". At the bottom left, the word "Register" is underlined in white. At the bottom right, there is a black button with the text "LOGIN" in white and a white arrow pointing to the right. A small icon of two people is visible in the bottom right corner of the form area.

- Fill in your details to create your account. Your email address should contain **"nyp.edu.sg", "mymail.nyp.edu.sg", "myaccount.nyp.edu.sg", "polite.edu.sg", "aci.edu.sg", or "sirs.edu.sg"**. Note: “Address” is not a compulsory field but “Country” is needed for verification.

The image shows a registration form with an orange background. At the top, the word "Register" is displayed in white. The form consists of two columns of input fields. The left column contains: "Company", "First Name", "Last Name", "Username", "Email", and "Country" (with a dropdown menu showing "Singapore"). The right column contains: "Address", "City", "State", "Phone", "Password", and "Confirm Password". At the bottom left, there are two radio buttons: "Subscribe to our newsletter to receive our new releases and latest features." and "Please read and accept terms and conditions.". At the bottom right, there is a black button with the text "SUBMIT" in white and a white arrow pointing to the right.

- You will receive a confirmation email shortly, titled “**Blonde Beats - Account Approved**”. You can login and have access to all features after your account is approved.

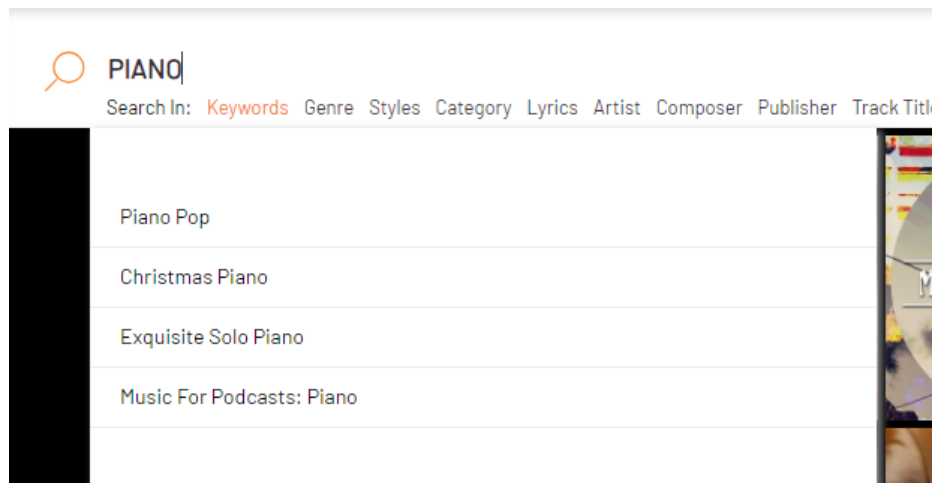

We have received your registration. You will receive an email response shortly. In the meantime, you can continue to sample and audition music while your registration is pending.

2. Exploring Music

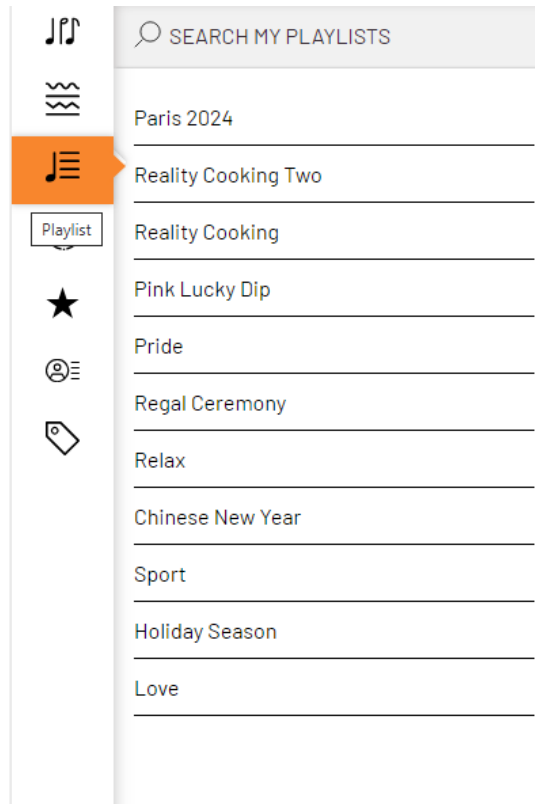

- **Search for Music:**

- Use the search bar to find music by keywords. You can choose to search in different categories (Keywords, Genre, Styles, etc).

- **Browse Playlists:**

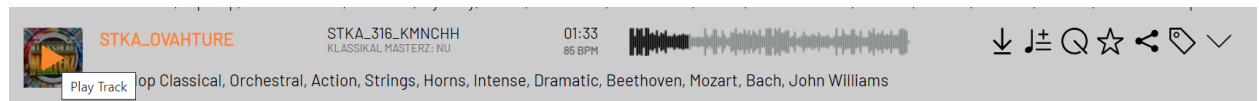

- You can also explore curated playlists and albums from the side menu.

3. Downloading Music

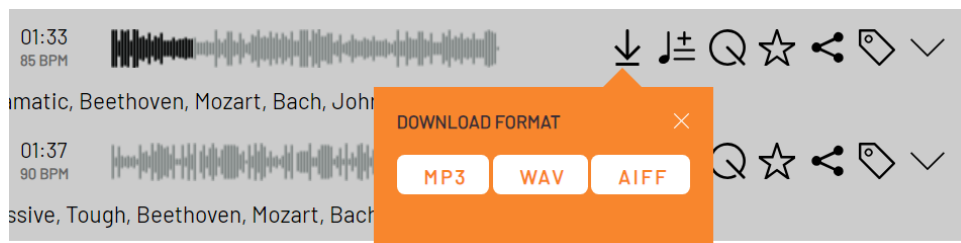

- **Preview and Choose:**

- Click on a track to listen to a preview.

- **Download:**

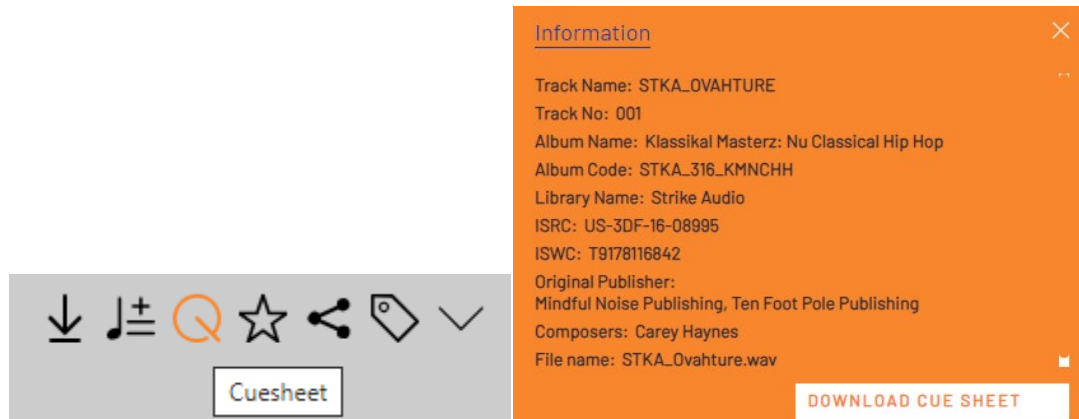

- Select the "Download" button and choose the format you wish to download in.

4. Features

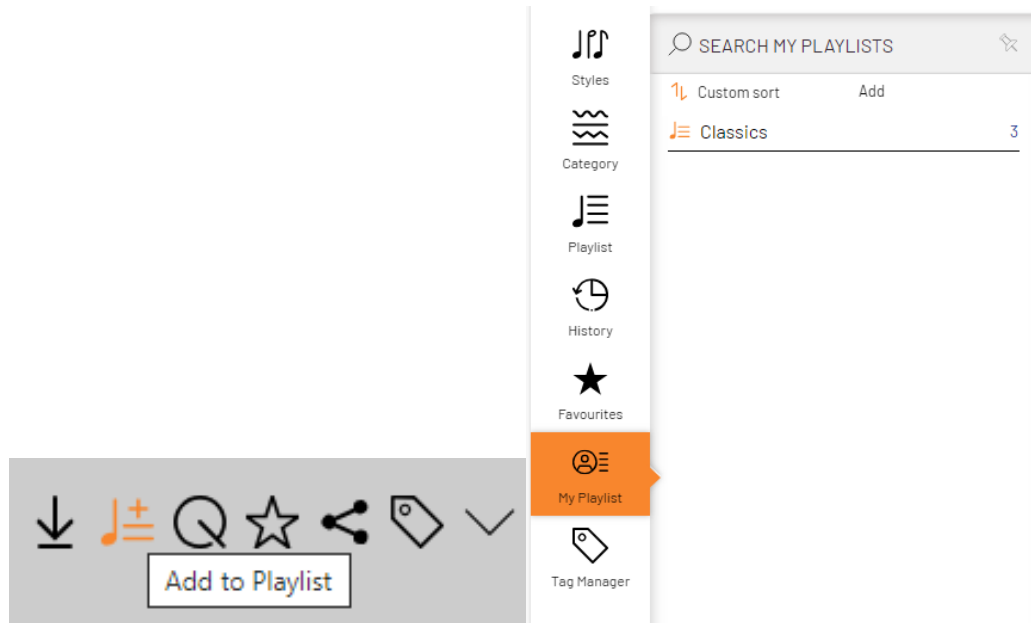

- **Cue Sheets:**

- Select the “CueSheet” button to see the details about the track. You can also choose to download the Cue Sheet in excel format.

- **Custom Playlists:**

- Select the “Add to Playlist” button to save the selected track for easy access. You can access them later on from the side menu.

- **Tag Manager:**

- Select the “Tag this Track” button to create a custom tag for the track (eg. “Background music”). You can access them later from the side menu.
